NOTICE

Contract Environmental Services, Inc. has applied for a solid waste permit to construct and operate the proposed Contract Environmental Services Landfill located on 80 acres approximately 19 miles north of Aneth, Utah, Township 39 South Range 26 East Section 18, San Juan County. The owner is requesting a Class V permit to operate a commercial solid waste landfill that will accept non-hazardous asbestos contaminated waste from the abatement and renovation of homes and buildings. Asbestos waste will be received from the Four Corners area.

The Division of Solid and Hazardous Waste has reviewed the permit application, determined it to be complete, and a draft permit has been prepared. The public comment period for the application and draft permit begins on January 12, 2005 and ends February 11, 2005. A public hearing on the application and draft permit will be held at the Blanding City Counsel Chambers, 50 West 100 South Blanding, Utah on February 9, 2005 and will begin at 7:00 pm.

Copies of the application and the draft permit can be viewed on the Internet at www.hazardouswaste.utah.gov and are available for public review during normal business hours at the following location.
